CHC33021 – Certificate III in

Individual Support (Ageing and Disability)

Accreditations:

Course Overview

The Certificate III in Individual Support (Ageing and Disability) prepares you to provide person-centred care in community, home, or residential settings. You will work under supervision as part of a multi-disciplinary team, following individualized care plans to assist individuals who require support due to aging, disability, or other circumstances.

This course equips you with essential factual, technical, and theoretical knowledge, enabling you to deliver high-quality care confidently. All skills learned during the course are applied in accordance with Australian legislation, standards, and industry codes of practice.

As part of the program, you will complete 120 hours of practical experience, gaining real-world expertise to succeed in this rewarding field. At the time of publication, there are no licensing, legislative, regulatory, or certification requirements associated with this qualification.

- Having own computer (desktop or laptop) to facilitate the training and assessment.

Professional Experience Placement (PEP)

- Professional Experience Placement (PEP) is an essential component of some of the units of this qualification. IHNA Guarantees Professional Experience Placement for all its student studying Certificate III in Individual Support. Students will commence the 120 hours of placement (PEP) upon completing all theory assessments including simulation-based assessments (SBA). During the PEP, students will apply the required essential knowledge and skills to demonstrate competency for each unit of this qualification.
- Each student will work in pairs with a buddy staff member under the supervision of the workplace supervisor at the PEP facility.
- An IHNA trainer and assessor will monitor the student's progress during the PEP. All PEPs are arranged by IHNA. Students may arrange PEP by themselves if preferred, as agreed with and in consultation with, the course coordinator.

Note: Where a student breaches the PEP requirements as stated in the Entry Requirements, they could be excluded from their PEP. IHNA will not be responsible for any such exclusion.

Entry Requirements

There are no formal entry requirements for this course.

IHNA Admission Requirements

- 18 years of age and above at the time of commencement of the course* #
- Successful completion of Year 12.

**Mature age students (22+) may also be considered without the minimum education requirements. Each case will be reviewed individually to ascertain the capacity of the applicant to meet course requirements.*

#Students below 18 years of age should have consent from their parents prior to getting enrolment in any courses.

Language, Literacy, Numeracy and Digital (LLND)

All students are required to complete IHNA's LLND test to ensure their readiness for the course and are encouraged to have basic computer skills to enhance their learning experience.
