HLT37215 – Certificate III in

# Pathology Collection

## Accreditations:

# Course Overview

The HLT37215 - Certificate III in Pathology Collection reflects the role of pathology collectors. Individuals in this position follow established routines and procedures, taking responsibility for their own work under general supervision. They combine communication, customer service, and technical skills, using discretion and judgment to adapt and apply their skills to various situations. To obtain this qualification, candidates must complete at least 35 hours of work as outlined in the Assessment Requirements for the units of competency.

At the time of publication, there are no licensing, legislative, regulatory, or certification requirements associated with this qualification.

### Digital literacy

- Basic computer skills.
- Having own computer (desktop or laptop) to facilitate the training and assessment.

## Professional Experience Placement (PEP)

- Professional Experience Placement (PEP) is an essential component of some of the units of this qualification. Students will commence the 35 hours of placement (PEP) upon completing all theory assessments including simulation-based assessments (SBA). During the PEP, students will apply the required essential knowledge and skills to demonstrate competency for each unit of this qualification.
- Each student will work in pairs with a buddy staff member under the supervision of the workplace supervisor at the PEP facility.
- An IHNA trainer and assessor will monitor the student's progress during the PEP. All PEPs are arranged by IHNA. Students may arrange PEP by themselves if preferred, as agreed with and in consultation with, the course coordinator.

*Note: Where a student breaches the PEP requirements as stated in the Entry Requirements, they could be excluded from their PEP. IHNA will not be responsible for any such exclusion.*

## Entry Requirements

There are no formal entry requirements for this course.

### IHNA Admission Requirements

- 18 years of age and above at the time of commencement of the course\* #
- Successful completion of Year 12.

*\*Mature age students (22+) may also be considered without the minimum education requirements. Each case will be reviewed individually to ascertain the capacity of the applicant to meet course requirements.*

*#Students below 18 years of age should have consent from their parents prior to getting enrolment in any courses.*

### Language, Literacy, Numeracy and Digital (LLND)

All students are required to complete IHNA's LLND test to ensure their readiness for the course and are encouraged to have basic computer skills to enhance their learning experience.
