UNIVERSITY/ PATHWAYS

The Institute of Health and Nursing Australia (IHNA) is one of Australia's premier providers of quality education and training. The Institute's key areas of expertise and course delivery are nursing, health and community services such as aged care, disability support and early childhood education and care, with research and development underway into new areas such as health management and English Language studies.

IHNA is fast-growing, dynamic, and quality-driven institution committed to continuous improvement; working hard to develop, implement and deliver courses and professional development programs.

SCHOOL OF COMMUNITY SERVICES

CHC52015 - Diploma of Community Services (2 Years)

A career in community services offers a level of job fulfilment like no other. Individual's best suited to a career in community services are those with a passion for caring and helping the disadvantaged. A formal qualification such as the **CHC52015 - DIPLOMA OF COMMUNITY SERVICES (CASE MANAGEMENT)** to provide students with the correct skills, knowledge and practical training to support those in need.

The CHC52015 - Diploma of Community Services (Case Management) is ideal for gaining the necessary skill sets for a profession in the Community Services sector. You can become an advocate in areas such as family welfare, community health, employment services and disability services. The responsibilities of Case Managers are diverse in nature but generally include duties such as the implementation of service programs, the evaluation and assessment of client needs, and coordinating referral processes.
